ÜLŐBÚTOR KÁRPITVÁLASZTÉK

Székeink kárpitjaiból mutatunk be válogatást három kollekcióban: Andorra, Style és Terrano. Szövetek, hálók, textilbőrök, vegán bőrök és bőrök, több száz színben és mintában.

A katalógusról

A minták kollekciónként és csoportonként szerepelnek. Az azonosító kód alapján pontosan megadható a kívánt szín.

A képernyőn vagy nyomtatásban látható árnyalat eltérhet a valóságostól, ezért végleges választás előtt kérjen színmintát.

Színminta és ajánlat

Hogy melyik szék melyik kollekció kárpitjaival rendelhető, azt munkatársaink megmondják. Az Andorra kollekció egyes mintái csak a készlet erejéig rendelhetők. A Style kollekciónál az osztály (A, B, C, U, W), a Terrano kollekciónál az árcsoport (0–7) jelöli a kárpit árkategóriáját.

A színmintákról, az árakról és a rendelhető kivitelekről munkatársaink készséggel nyújtanak tájékoztatást, és segítenek a megfelelő kárpit kiválasztásában.

Termékinformációk

A székek részletes műszaki adatai és letölthető termékadatlapjai a **www.bathori.hu** weboldalon érhetők el.

Kérdése van? Segítünk. Munkatársaink készséggel állnak rendelkezésére.
